PRESS RELEASE

After careful consideration, the Borough of Watchung has made the difficult decision to cancel the 2020 Recreation Summer Camp program. Due to the strict guidelines from the CDC and considering the safety of our staff and students, the Board of Health, the Office of Emergency Management, and the Borough Council made this determination. As restrictions lift and restrooms become available, we are hopeful that we will be able to hold some outdoor programs, with social distancing procedures in place, in the coming weeks. This decision has been incredibly challenging but it is in the best interest of the residents of Watchung and for the safety of our youth. Please visit our website at www.watchungnj.gov for updated information and for programs as they become available. We look forward to holding the Watchung Recreation summer camp program again in 2021.
